How to Donate Old Laptops with SocialBox.Biz:
Social Impact Solutions For UK Companies

SocialBox.Biz helps London companies protect the planet, boost social impact and donate old laptops before they become waste and join the e-rubbish mounts (UN report on increase on e-rubbish) Previous reports showed 37% of London's waste went to landfill or incineration, with only 11% sorted. Reusing laptops supports sustainability and digital inclusion for students, refugees, and communities.

Benefits for Companies:

- Addressing e-rubbish before items become waste by reusing usable items.
- Boost CSR by empowering disadvantaged groups.
- Help the disadvantaged with education and services.
- Engage employees in meaningful initiatives.

How to Donate:

- Identify functional or usable laptops and other .
- Contact us at socialbox.biz.
- Socialboxbiz can assist secure data wiping onsite or offsite.
