What People Have To Say

We're passionate about creating & maintaining beautiful outdoor spaces that inspire joy and relaxation. Whether you're a homeowner or a business owner, we're here to turn your garden dreams into a reality.

“Really pleased with Bud Landscapes who completely transformed my tired garden. They are a highly professional outfit who were punctual, polite and respectful to my neighbours with regards to noise etc . Very impressed with Steve Corio and his ideas and now enjoy sitting in my own piece of paradise.”

Julian - Home Owner

“Have had Steve and his team on several different projects in my garden and wouldn’t hesitate to use him again. He and his team are reliable, friendly and polite, always arrive when they say they will and leave everything very tidy. A company that is a pleasure to deal with from start to finish.”

Tracy - Home Owner

“Bud transformed our drab borders in our garden to create year-round colour for the residents to enjoy. Now they support with weekly maintenance, providing a complete service to enable our residents to fully utilise our beautiful patio and garden areas.”

Gary Wilkinson - Care Home Manager
