MORE THAN JUST SPORT

Sports 4 Kids is a family run business that provides bespoke sports and mentoring sessions for young people of all ages. With over 14 years experience of working with various age groups and providing youth focused sports & mentoring sessions. Our mission is to build positive relationships with young people in the hope of giving them a platform to achieve more.

The company was founded by Daniel and Tammy Bowen-Smith who both came from different career paths. Daniel has been working in the sports industry for over 15 years, working with professional football clubs to non-profit organisations whilst Tammy has worked in account management for over 18 years. In 2013 Sports 4 Kids began its journey with our main goal being to motivate young people to understand their purpose and be the best they can be, truly accepting that "Anything Is Possible!"
