banner stands

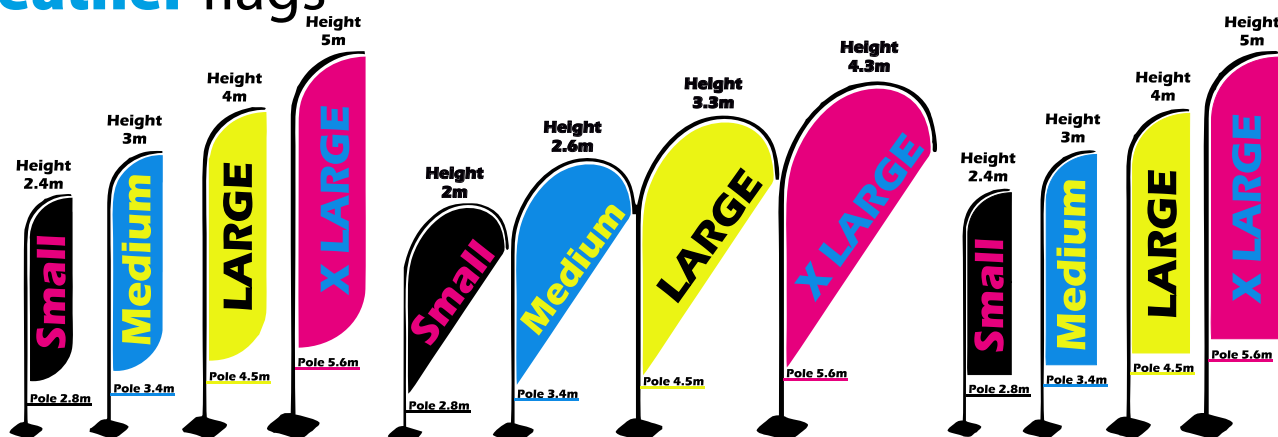

heavy duty banner stand

Banner frames are an amazing marketing tool for use at events, exhibitions and conferences, as well as simply outside of your premises to promote your business. Perfectly suited to long-term outdoor or indoor use, they do not suffer from the twisting and buckling problems suffered by their aluminium counterparts.

- 35mm diameter steel tube construction
- Single or double-sided
- Includes bungee ties
- Built to last

led outdoor light box

**130mm
Deep**

The unit features an impressive matrix of IP65 waterproof LEDs, evenly spaced to eliminate random bright or dull spots. The resulting display is consistently and perfectly illuminated.

The units are supplied with a 12V AC adapter, which is located inside the lightbox, with 2m of 2-core cable which can be hard wired into the mains or fitted with a standard 3 pin plug.
