

# ADULTS TRAINING PAYMENT SYSTEM

I will be implementing a new monthly payment system in July 2016, I have chosen July as I am away for much of June so it is not practical to introduce a new system before hand. There will be no lengthy tied contracts you will simply be able to pay for the amount of lesson per month you know you can attend. An example below...

## **EXAMPLE 1:**

May 2016 Tuesday's & Thursday's 9 lessons available at £8 per lesson. You check work schedule and other commitments and decide you are available and wish to purchase 7 sessions,  $7 \times 8 = £56$  payable at the beginning of May.

## **EXAMPLE 2:**

May 2016 Tuesday's & Thursday's 9 lessons available at £8 per lesson. You check work schedule and other commitments and decide you are available and wish to purchase 7 sessions,  $7 \times 8 = £56$  payable at the beginning of May. You use your 7 sessions and wish to attend an 8 session as your work (other commitments) have changed, due to the fact that you had paid monthly you pay £9 training fee on the night either by cash or debit card.

## **EXAMPLE 3:**

May 2016 Tuesday's & Thursday's 9 lessons available at £8 per lesson. You check work schedule and other commitments and decide you are available and wish to purchase 7 sessions,  $7 \times 8 = £56$  payable at the beginning of May. You miss 2 sessions, train 5, no refund.

## **EXAMPLE 4:**

You cannot commit to any lessons at the beginning of May so no monthly payment is made. Any training sessions taken will be charged at £10 per session.

This method of payment is to protect the dojo financially and will obviously free up the instructors to simply get on with the task as hand which is teaching.

We will also have a monthly training register at the reception desk in the dojo, once you have paid all you need to do is add your name at the first session of the month and tick off the weeks each time you attend.

## Methods of Payment.....

There are several ways to pay your monthly training fees.

BACS on the 1st day of the month.

Online via our members section on our website via Paypal / Debit / Credit Card.

Debit/Credit Card or cash on the first lesson of the month.

No monthly payment, £10 per visit / lesson.
