

A top-down view of a meeting table. Several people's hands are visible, interacting with documents, a laptop, and a tablet. The documents contain various charts, graphs, and text. A laptop in the center displays the logo for 'THE ROYAL TOBY HOTEL'. A tablet on the left shows a world map with percentage data. The overall scene suggests a collaborative business meeting or training session.

THE ROYAL TOBY
HOTEL

A group of business professionals are seated around a conference table in a modern office setting. They are all smiling and appear to be in a positive, collaborative meeting. The focus is on a man in the foreground with glasses and a beard, who is looking towards the right. Other people are visible in the background, also smiling. A large, semi-transparent diamond shape is overlaid on the image, containing the text and logo.
