We need your support to help us to provide the much needed specialist equipment and activities for the children and young people with disabilities or life limiting illnesses.

Thank you to Masonic Charitable Foundation and all our donors for your kind generosity. Enquiries are always welcome from any organisation or individual who would like to support our charity or anyone who feels that their child may benefit from our services.

Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults and their families/carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family.

Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

We fundraise all year round to provide much needed support to children & young people, their families / carers, by

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Work in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings

Blessing in Disguise & Bolton Guild of Help has just helped Eliza, providing her with a specialist chair/buggy.

2 year old Eliza has Down syndrome; unfortunately the NHS or Wheelchair Services were unable to help her. She required a specialist chair due to her disabilities and delay in walking. Thanks to your generous support Eliza now has her own specialist chair which will help her for many years.
