

THE GREENWICH YACHT CLUB

WEDDINGS

Welcome to Greenwich Yacht Club,
London's hidden riverside gem.

A photograph of a wooden sailing boat on a pebbly beach. The boat is in the foreground, angled towards the right. Its mast and rigging are visible. In the background, there is a modern, multi-story clubhouse with large windows and a tall chimney, situated on a pier or dock. The sky is blue with some clouds.

Greenwich Yacht Club was founded in 1908 by a group of Thames watermen and sailors. The first Clubhouse was situated on the beach adjacent to the current clubhouse in a large landed barge. In 1999 the Yacht Club moved to its current home on the ever changing peninsula and now boasts two fantastic venues...

The Clubhouse is an Iconic two storey building with stunning panoramic river views taking in the Millennium Dome and the Thames Barrier.

The River Rooms is a purpose-built event space with a license to host ceremonies. The outside decking raised from the boatyard gives great views of the Thames and allows outdoor catering, whilst the floor to ceiling windows give this venue an abundance of natural light.

THE GREENWICH YACHT CLUB

THE CLUBHOUSE

The Clubhouse, uniquely in London, is a building situated in the Thames. Guests can walk across the short bridge or arrive by boat on the private pontoon at the front of the building.

Once inside the first thing you will notice is the stunning panoramic views of the river and some of London's iconic landmarks. The O2 and cable car, The Thames Barrier and the Orbit tower in the Olympic park provide guests with the feeling that they are in the heart of modern London.

Concertina doors and a completely surrounding balcony means that guests can enjoy the river views to their hearts content.

Boating flags and nautical treasures adorn the ceiling and walls giving the hall a definite yachting theme and a breathtaking backdrop for your wedding.

The Clubhouse is our members bar and is therefore exclusively available on Wednesdays, Thursdays and Fridays only.

The rooms are hired as one and allow your day to flow seamlessly from one element to the next.

The sun terrace allows guests to enjoy the weather when the sun decides to shine and can host Barbeques and Hog Roasts if you want to mix up the catering a little. You can also put up a marquee if you don't want to gamble on the British weather.

The lounge bar gives everyone a place to relax and enjoy a drink whilst they mingle with all the guests.

Our banqueting hall doubles up as our ceremony room. With its floor to ceiling windows the venue is light and bright and provides fantastic river views. With ivory drapes it comes as a blank canvas to decorate as you wish.
