

Martial Instructors Statement of Facts

This Statement of Facts is based on information you have provided to us and forms the basis of the contract between you and your Insurers, Allianz.

Please read this Statement carefully, and if any of the information provided is incorrect, untrue or if there are any other material facts that should be disclosed, please close this document and amend the details..

Fair Presentation

It is important that you tell us everything about you in good faith and what you want to insure, including any specific concerns that led you to seek cover. To do this you need to answer all questions we ask you accurately and to the best of your knowledge and ability by making specific enquiries of partners, directors and senior management involved in the business and its subsidiaries. You must tell us of anything that may be relevant or important for insurers to know so that they can make decisions on whether to offer cover, the type of cover to offer, the terms to be applied and the required premium. If you don't do this and a relevant piece of information is missed then you may not be covered correctly, your insurance may be invalid or you may be charged a higher premium. If you are in any doubt/not sure then just tell us. For example you should inform us of any different, special or any unusual aspects of your business activities in comparison to what would be considered 'typical' in the market place for your trade, business or profession.
