

H&A

PROTECTION SERVICES

KEY HOLDING AND ALARM RESPONSE

Become stress free with H&A Protection Services key holding service to ensure your buildings are locked up securely.

We can hold a premises' key for as little as 60p per day so you can rest assured if you lose your key or your commercial building needs securing. With our additional service of alarm response we can attend to any alarm that goes off to ensure your premises are safe and secure taking the stress away from you and your staff no matter what time of day, week or year with our prompt response units. This eliminates the potential risk to you or your staff and any consequent possible liability.

Key Holding And Alarm Services

Your keys are tagged and securely stored in accordance with BS 7984-2008.

Using our services takes the responsibility away from you and your management preventing the risk of endangerment and violation of the Corporate Manslaughter Act 2007.

We offer rapid response for intruder alerts, fire alarm activations and maintenance issues e.g gas leaks or floods.

Our SIA trained security personnel ensure high levels of security through prevention, detection and lawful detainment.

Mobile patrols and alarm response will be by a fully liveried K9 unit.
