About us

- ◆ Established in 2006, Initor Global Services was formed with the vision of being a “global accountant company”. We provide Payroll and Accounting services, as well as Remote Staffing Solution Services to medium to large sized accounting practices. With an experience of more than a decade in Payroll & Accounting outsourcing, Initor has emerged as a true global accountant with a team of qualified and dedicated accountants.
- ◆ Our team comprises of top-notch financial experts who have extensive experience in industry specific accounting, payroll and taxation services. We work with accounting firms across the globe, driving bold ideas and pragmatic solutions. Our clientele is spread over 20 countries including the UK, USA, Singapore, Mexico, Canada, Australia, Dubai, New Zealand and many more.

Software Expertise

Testimonials

I have been working with Initor Global since the middle of 2018. It is, therefore, a huge compliment to the team at Initor Global that they are quickly becoming my 'go to' provider. The service turn around prompt, accurate they have the desire to go the extra mile. I am delighted with the service I receive.

Owner of Leading Accounting Firm

We have been working with Initor Global for over a year. They have good knowledge of UK software, and the communication between our teams on workflow planning and completion has been very professional. We have been very satisfied with the service from Initor Global.
