\*Discounts vary on different products and services please contact your AD Garage for further details.

### RIGHT 2 CHOOSE

AD Garage are supporters of the "Right to Choose" Campaign! Many motorists with vehicles under the manufacturers warranty are under the misguided impression that any servicing, maintenance or repairs must be carried out by the authorised dealer otherwise their warranty is invalidated.

Under the Block Exemption rules, car manufacturers will no longer be able to make the warranty conditional on having the car serviced, or even simple things like oil changes, done in the dealers workshops.

So by using AD Garage instead of the main dealer you will not invalidate your warranty!
