## Social Distancing Menu

2m  
!!

We are still catering most of the items from our Gourmet Menu with social distancing measures.

Our approach is to support social distancing during the catering service, while still providing almost all menu items are listed on our Gourmet Menu. We can only limit the decoration on plates due working with much smaller teams.

### SWEET CREPES

#### *Praline orange*

Warm meeting between creamy Belgian chocolate and crunchy praline. The contrast with the spirit of fresh vanilla ice cream enhanced by sugar sprinkled orange drops is magnificent.

#### *Caramello gelato*

White vanilla and caramel rose laying on a bed of flowers and crunchy popcorns, sprinkled with cinnamon and sugar.

#### *Banana Rhum*

Amazing caramello sauce melts in the middle, some icing sugar splits on top, fresh banana slices and vanilla gelato blends with flowers to give refreshing scent. All combined with rum, a relaxing journey.

#### *Strawberry cioccolato*

Creamy and warm chocolate Belgium meets the fresh taste of seasonal fruit enhanced with lemon. Preamble to the tasting ... cocoa strawberries and citrus bronte pistachio.

#### *Lemon foglie*

Lemon drops and roasted sugar. Golden yellow crepe flavoured with fresh mint petals. The union of sugar and cinnamon upgrades the tradition.

#### *Choccolato tagliatella*

Laying on a cocoa nest, the sweet and fresh flavour of vanilla ice cream is softened by hot lemon flavoured chocolate frosting. The nest whisks and reaches its peak when drowned in Grand Marnier.

#### *Maple sciropo walnuts*

Soft batter drenched in superb real maple syrup. Fresh farmer's dried fruit lead to a round trip towards the dish testing.

#### *Nutella mascarpone*

Original Nutella flavor enriched with sweet mascarpone flakes and fresh blueberries from the garden. Dusting with walnuts and Cognac drops bring the tasting to its fullest expression.

### SAVOURY CREPES

#### *Mortadella Rolls*

The flavour of Italian tradition meets the green aroma of Bronte pistachio and fresh milk mozzarella. Sophisticated mortadella bites hide a creamy heart to be discovered. To complete, wild asparagus and Sicilian citrus.

#### *Caprese Avocado*

Crepes filled with fresh Italian mozzarella and cherry tomatoes in strips. A soft avocado mousse sprinkled with wild basil enhances its freshness and flavour.

#### *Salame Milano*

Lying on a bed of fresh mixed herbs, Salame Milano flowers and apple cider vinegar-flavoured cloves of garlic. Grana Padano flakes and garden basil bring out the traditional Italian flavour.

#### *Spinaci Crudi*

Raw garden vegetables. The flavour of fresh spinach meets creamy Cheddar and it blends with the flavour of freshly dried tomatoes. Walnuts, orange peppers and farmer's herbs complete the dish to experience the vegetarian wellness.

#### *Mozzarella e Parma*

The traditional flavour of the real Parma ham paired with the freshness of generous P.D.O. Genovese pesto. A light scent of Sicilian citrus exalts this combination.

#### *Prosciutto*

Traditional flavour of creamy Cheddar combined with sublime slices of cotto ham. Free-range eggs and wild herbs enrich the alchemy.

#### *Chicken peperone*

Melted cheese and roasted free-range chicken. Fresh farmer's spinach and a lively red pepper expand the flavour and the perception of the aromatic wild fennel.

#### *Salsa Tonnata*

A journey between sea and mountain. The natural flavour of fresh tuna chunks softened in aromatic sauce. A selection of wild herbs and crispy rings of finely creamed onion complete the experience.

## Social Distancing Menu

2m  
!!

Whether it's a breakfast, lunch, brunch, dinner we have put together a special selection of our classic client favourites and turned them into socially distanced plate meals for easy ordering.

All items from our social distancing menus are served with disposable cutlery, and plates. The majority of our standard menus can be packaged individually too so please get in touch if you had any specific menus in mind.
