

# VERANDAS

## Outdoor lifestyle and luxury

Add a stylish and contemporary Atlas veranda and create a whole new living space that transforms the outside of your property.

This versatile covered space allows you to enjoy the outdoors all year round, bringing alfresco living to your lifestyle and adding value to your home.

- A flexible outdoor living space
- A permanent cover for your patio space
- Perfect for alfresco dining and entertaining
- Custom built to your specification

**Create a new outdoor room that protects your patio area and extends your home into the garden.**
