## 15 Series

### Integrated Amplifiers

RA-1570	120W x 2 • System remote • 10 inputs inc. MM phono • 2 x Coax/Optical • PC/USB • Wolfson DAC 24bit/192kHz • Pre-amp out • unity gain feature • Tone controls • 2 x 12V trigger • IR output • Ext remote input • USB front input with Bluetooth dongle • Rotel Link • Dimmable display • Software upgradable • 3U cabinet	£1,195.00
RA-1592	200W x 2 • System remote • 14 inputs inc. MM phono • 3 x Coax/Optical • PC/USB 32bit/384kHz • AKM4495 DAC 32bit/768kHz • DSD 1X, 2X • Pre-amp out • unity gain feature • Tone controls • 2 x 12V trigger • IR output • Ext remote input • USB front input • Bluetooth aptX • Rotel Link • Dimmable display • Network connection • Software upgradable • Sleep timer • 3U cabinet	£1,895.00

### Pre-Amplifiers

RC-1570	MM/MC phono input • 2 x Coax/Optical • Wolfson Dac 24bit/192kHz • 2 record out • Unity gain • RS232 Comp I/O socket • remote • Rotel Link • 2 x 12V triggers • 2 IR out • Ext remote input • Toroidal transformer • USB front and rear inputs • Bluetooth Dongle	£795.00
RC-1590	MM phono input • 3 x Coax/Optical • Asahi Kasei DAC 32bit/768kHz • 2 record out • Unity gain • RS232 Comp I/O socket • remote • Rotel Link • 2 x 12V triggers • 2 IR out • Ext remote input • Twin Toroidal transformers • Twin subwoofer outputs • Twin Balanced XLR/RCA outputs • USB front (2.1A) and rear inputs • Internal aptX Bluetooth - 3U cabinet	£1,395.00

### Power Amplifiers

RB-1552 MKII	120W x 2 • Oversized toroidal transformer • RCA / XLR Inputs • 12V trigger	£745.00
RB-1582 MKII	200W x 2 • Oversized toroidal transformer • RCA / XLR inputs • BHC slit capacitors • In & out 12V trigger	£1,195.00
RB-1590	350W x 2 • Twin-Mono-bloc design • Twin oversized toroidal transformers • RCA / XLR inputs • BHC slit capacitors • In & out 12V trigger • 5U Cabinet	£2,395.00

### CD Players

RCD-1570	Improved slot loading mechanism • Wolfson 24 Bit upscaling DAC • Digital output • Balanced XLR Out • Remote • Toroidal transformer • 12V trigger • 2U cabinet	£695.00
----------	---	---------

### DAC

RDD-1580	Stereo digital-to-analogue converter • 2 x dual Wolfson WM8740 chip-set • Toroidal transformer • front and rear USB input • upto 24bit/192kHz asynchronous • 2 x Coax/Optical • Bluetooth Dongle	£595.00
----------	--	---------

### Tuner / Network Streamer

RT-1570	FM / DAB+ • Internet Radio • Network Tuner • 30 presets • iPod and iPhone digital input • home network streaming via Windows Media Player (11 and 12) • Wolfson 24bit/96kHz DAC • Toroidal transformer	£845.00
---------	--	---------

### AV Receiver

RSX-1562	100W x 7 • Audiophile-quality Class D amplifier design • Cool running / Energy efficient design • 6x HDMI v1.4 ports • 2 x HDMI output 1 with ARC • front USB input • Parametric EQ • Adjustable crossover • Dolby TrueHD • DD+ • DD EX • Dolby Prologic IIx/z • dts_ES • DTS96/24 • LPCM (up to 192K) • dts-HD Master Audio • dts HD Hi-Resolution • Faroudja video processing • 1080P 24Hertz compliant / 1080p Upscaling • Second, third and fourth zone capable • Assignable channels for bi-amping main speakers or second zone • Bi-directional RS-232 interface • Assignable 12V triggers • Rear panel IR control ports • Learning remote • 4 Zone Capability - 4U cabinet	£2,295.00
----------	---	-----------

### Internet Radio/CD Receiver

RCX-1500	100W x 2 class D amplifier, CD/receiver including Internet radio FM and DAB, iPod and iPhone digital input and hooked into a home network, streaming via Windows Media Player (11 and 12).	£1,195.00
----------	--	-----------

### AV Surround Processor/Pre-amplifier

RSP-1572	HDMI v1.4 (3D) ports x 6 with Deep Colour and xvYCC • 2 x HDMI Outputs (1 with ARC) • Front USB socket • Dolby TrueHD • DD+ • DD EX • Dolby Prologic IIx/z • dts_ES • DTS96/24 • LPCM (up to 192K) • dts-HD Master Audio • dts HD Hi-Resolution • Faroudja video processing • 1080P 24Hertz compliant / 1080p Upscaling • Second, third and fourth zone capable • Bi-directional RS-232 interface • Assignable 12V triggers • Rear panel IR control ports • Learning remote • 4 Zone Capability - 3U cabinet	£1,695.00
RSP-1582	7" TFT Screen • 8 x HDMI v1.4 (3D / 4K Pass-through) ports • 2 x HDMI Outputs (1 ARC / CEC) • Individual Wolfson WM8740 DAC's for front channels • Texas Instruments Aureus decoder • 10 Channel PEQ • Front HDMI & USB (2.1A) socket • Internal aptX Bluetooth • MM Phono input • Dolby TrueHD • DD+ • DD EX • Dolby Prologic IIx/z • dts_ES • DTS96/24 • LPCM (up to 192K) • dts-HD Master Audio • dts HD Hi-Resolution • Faroudja video processing • 1080P 24Hertz compliant / 1080p Upscaling • Bi-directional RS-232 interface • Assignable 12V triggers • Rear panel IR control ports • 1 x XLR Input • XLR / RCA Multi-channel outputs • System remote - 4U cabinet	£2,695.00

### Home Cinema Power Amplifiers

RMB-1555	5 x 120W @ 8 Ohm • Class A/B energy efficient • 12V triggers - 4U cabinet • <b>Rack kit included</b>	£1,295.00
RMB-1585	5 x 200W @ 8 Ohm • Class A/B energy efficient • 12V triggers • Switchable Cooling fans • RCA & XLR inputs - 5U cabinet • <b>Rack kit included</b>	£2,245.00
RMB-1575	5 x 250W @ 8 Ohm • Class D amplification • Cool running / Energy efficient design • 12V triggers - 3U cabinet (compact for power)	£1,795.00
RB-1572	2 x 250W @ 8 Ohms • Class D amplification • Cool running / Energy efficient design • 12V triggers • 2U cabinet (compact for power)	£825.00
<b>Custom Install Power Amplifiers</b>		
RMB-1512	12 x 100W @ 8 Ohms • Protection circuits • Cool running / Energy efficient design • 12V triggers • 3U cabinet • <b>Rack kit included</b>	£1,995.00
RMB-1506	6 x 50W @ 8 Ohms • Protection circuits • 12V triggers • 3U cabinet • <b>Rack kit included</b>	£645.00
RKB-8100	8 x 100W @ 8 Ohms • Protection circuits • Cool running / Energy efficient design • 12V triggers • Signal Sense • 2U cabinet • RS232	£1,495.00
RKB-850	8 x 50W @ 8 Ohms • Protection circuits • Cool running / Energy efficient design • 12V triggers • Signal Sense • 2U cabinet • RS232	£1,195.00
RKB-D8100	8 x 100W @ 8 Ohms • Wolfson DAC • Digital Optical Inputs • Protection circuits • Cool running • 12V triggers • Signal Sense • 2U cabinet • RS232	£1,845.00
RKB-D850	8 x 50W @ 8 Ohms • Wolfson DAC • Digital Optical Inputs • Protection circuits • Cool running • 12V triggers • Signal Sense • 2U cabinet • RS232	£1,495.00

All products have a 2 year warranty and are available in a Black or Silver finish - Except Custom Install power amplifiers (black only)
