## OUR STORY

Risk Assessment are providers of a complete fire risk appraisal for your premises. Our team of experts have extensive knowledge and experience in fire risk evaluations built up over the course of many years.

## WE OFFER

### Legal

The Fire Safety Order 2005 places responsibility on individuals in organisations to carry out risk assessments to identify, manage and reduce the risk of fire. This order also applies to HMO's & communal areas of apartment blocks and maisonettes.

### Service

Our team of highly skilled assessors will conduct a full inspection of your premises and in turn implement a fire safety policy for your organisation.

### Who Does It Apply to?

The Fire Safety Order 2005 requires all individuals in charge to undertake a fire risk assessment and execute and preserve a fire safety protocol.

Our team has worked with 1000+ clients in London & The South East
