

# Live Events Services

## Multi-Camera Live Broadcast/Recording

3 Full HD broadcast camera setup providing wide and close angles to capture the entire event. Broadcast live on to big screens\*, televisions or projectors for an audience. High quality recordings provided as standard.

\*big screens not supplied by Group Visual.

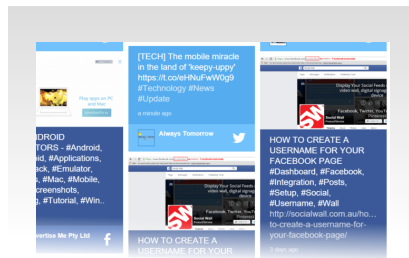

## Streaming

Broadcasting your event online expands your audience to millions of people worldwide. We work with all major streaming platforms such as YouTube, Facebook Live, Twitch and more. PayPerView options are also available at a per ticket cost meaning you will always make a profit even if you only sell 2 tickets.

## Social Media Packages

We are able to provide video packages of your entire event almost immediately after it has finished to publish online or on social media.

## Secondary Screens

We can provide a second output displaying custom graphics. Examples include: media walls, advertising boards, social media displays (twitter hashtag posts etc.) and more.

## Advertising Integration

Enhance sponsorship options with custom adverts either as full screen transitions, banner ads or animations without disrupting the on-screen content.

## Souvenir DVDs

Sell your customers the perfect memento to take home after your event is over. Orders can be placed during and after the event and in your customers' hands before they have even left the venue.

Every event is different and we would love to hear your ideas as well as our own. Please contact us directly for a personalised quote today.
