

Bettacare is a Mobile Service supplying Rehabilitation and Mobility Aids to patients at home or at the hospital with the convenience of delivery to your door.

We coordinate with Health Professionals so that you can get the best products and services all in one place.

The way we run our business allows us to keep our costs down so that we can pass the savings onto our customers.

If you have any queries or would like a product which is not on the list, just give one of our friendly staff a call.
