Dear

St Leonards Live & Unlocked Summer Music Festival

We have exciting news! We're looking for sponsors to help fund the St Leonards Live & Unlocked Music Festival 2021 and in return for sponsorship, we're offering multiple advertising opportunities throughout all the events.

What is SLSMF?

SLSMF has been set up and organised by 2 local musicians, in conjunction with the St Leonards Hotel Ringwood, to help bring live music back to audiences and support to local musicians in a Covid and family safe environment. The festival will run every weekend throughout the summer of 2021 and involve local bands, musicians, stallholders, workshops and an estimated audience of 500 people per day.

Would you consider sponsoring our event and donating to help SLSMF?

We are already so grateful for what our sponsors have helped us accomplish so far and are immensely thankful to our current sponsors. In demonstration of our gratitude SLSMF would like to offer you the following:-

- Advertising of Logos & Links on all festival related promotion materials including social media, website, mailing lists, flyers, posters and brochures;
- Regular Featured Spots on social media, website, mailings about your business with full contact details;
- Any of your physical banner/stalls next to the main stage at all our events;

- Logoed merchandise such as festival wrist bands, T-shirts, hats etc.
- Sponsorship would be highlighted in announcements during promotional and fundraising events and frequent announcements during the festival itself will be made.

Should you wish to help this event, please email us at stleonardsummermusicfestival@gmail.com or if you would like further information, you can speak to Pat, one of our Festival Co-Directors, on 07730 517908.

We hope you're able to contribute and thank you for the consideration.

Many thanks in advance for your sponsorship!

Yours faithfully
