

THE INSTITUTION OF OCCUPATIONAL SAFETY AND HEALTH (IOSH)

MANAGING SAFELY COURSE – 3 DAYS – **MILBURN HOUSE, DEAN STREET, NEWCASTLE upon TYNE.**

27, 28 & 29 MARCH 2018

12, 13 & 14 JUNE 2018

11, 12 & 13 SEPTEMBER 2018

The IOSH Managing Safely course is a nationally accredited health and safety training course for Managers and Supervisors from all industries and business sectors. Lycetts offers you informed, lively and interactive training courses.

COURSE OUTCOMES

By the end of the course, delegates will have a knowledge and understanding of:

- Their health and safety legal responsibilities.
- Hazard identification and risk control techniques associated with common workplace hazards including: fire, electricity, manual handling, working at height, stress, noise and vibration, chemical safety, workplace transport etc.
- How to manage health and safety in their workplace.
- Accident/incident investigation techniques.

COURSE FEES

The cost is £450.00 + VAT per delegate (ask about our discounts for 3+ delegates). Price includes tuition, course materials and handbook, certification, and refreshments/lunch each day.

CERTIFICATION

To be awarded the IOSH Certificate, delegates are required to pass a 45 minute examination and complete a practical assessment in the workplace.

THE VENUE – **RIGHT HERE ON YOUR DOORSTEP**

Training takes place in our conveniently located training venue at [Lycetts Risk Management Services, Milburn House, Dean Street, Newcastle upon Tyne, NE1 1PP](#). We are less than 5 minutes on foot from [the main train station](#) and there is a [pay and display car park](#) across the road.
