| Why you should book with us | Add-ons | |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| We specialise in DJs | Karaoke (if not included) | £20 |
| Our company is run in a hands-on fashion by two highly experienced DJs | Extra hours | £25 per hour |
| We hire only trusted entertainers, all of whom are checked by the Criminal Records Bureau | Decorations on extra tables | £10 per table |
| All bookings are guaranteed by a Contract for Services |     | |
| We hold Public Liability Insurance as well as Employer Liability Insurance | | |
| Our equipment is PAT tested for electrical safety | | |
| We hold the DJ Mark Gold award, which is a sign of quality | | |
| We hold a ProDub licence, allowing us to legally play music from digital sources such as laptops | | |
| Over the past eight years, we have hosted over 4000 events, maintaining a 100% attendance rate | | |
| We only use original music, not illegally copied or downloaded music | | |
| We maintain a high level of contact with our customers at all times | | |

All packages and options subject to availability. The above prices apply to the FY postcode only; if the venue is any further, travel charges may apply.
