ALBUM**

VIP Photographic Seamless Wedding Album

The inner pages are photographically printed onto professional Fuji Photolustre DP2 paper with no visual break in the spine, images run seamlessly across spreads.

Available with a padded, cream or black, real leather cover which can be laser etched and supplied in our handmade wedding box.

The album casing is made of wood, giving a luxurious feel.

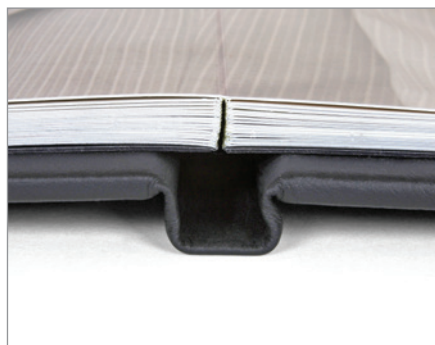

All Wedding Albums have a black or cream real leather cover with option for laser etching (choice of 3 fonts)

Specifications

- Photographically Printed
- 440gsm Fuji Photolustre DP2 Paper
- Seamless LayFlat
- 24 to 60 Pages
- Reverse Mounted Pages

Price per book	Number of pages	Additional pages	Max pages
£195	24	£2.90	60

Please make sure you read the page layout guide in the software before placing your order.

Vanilla Wedding Albums

LayFlat Premium Wedding Album

The inner pages are digitally printed on heavy weight 216gsm premium silk LayFlat paper, producing a continuous flow of images over a spread, with **almost** no central image loss.

Available with a padded, cream or black, real leather cover which can be laser etched and supplied in our handmade wedding box.

The album casing is made of wood, giving a luxurious feel.

Specifications

- Press Printed (Digital)
- 216gsm Premium Silk Paper
- LayFlat
- 24 to 60 Pages
- Sewn Bound

Price per book	Number of pages	Additional pages	Max pages
£148	24	£1.54	60

We recommend **NOT** to position text or small images over the centre of the spread. 1-4mm will be lost in the spine. Please make sure you read the page layout guide in the software before placing your order.

Premium (Non-LayFlat) Wedding Album

The inner pages are digitally printed on 200gsm Fedrogoni Symbol Freelifa Premium white Satin paper.

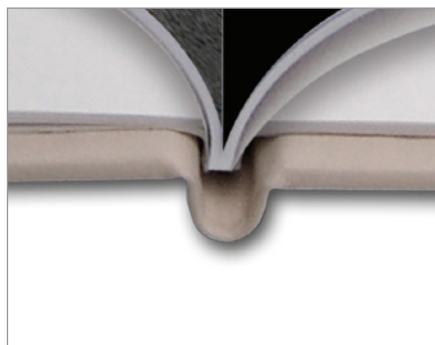

Available with a padded, cream or black, real leather cover which can be laser etched and supplied in our handmade wedding box.

The album casing is made of wood, giving a luxurious feel.

Specifications

- Press Printed (Digital)
- 200gsm White Satin Paper
- Non-LayFlat
- 24 to 100 Pages
- Sewn Bound

Price per book	Number of pages	Additional pages	Max pages
£125	24	£1.22	100

We recommend **NOT** to position text or small images over the centre of the spread. Image loss is indicated in the software. Please make sure you read the page layout guide in the software before placing your order.

LayFlat Premium Photobooks

Specifications

- Press Printed (Digital)
- 216gsm LayFlat Paper
- Silk Finish
- Range of Sizes
- 24 to 60 Pages

LayFlat Premium Photobooks

The inner pages are digitally printed on heavy weight 216gsm premium silk LayFlat paper and then sewn bound. LayFlat Premium photobooks use a unique hinge which allows for the continuous flow of images over a spread, with **almost** no central image loss.

The outer cover is printed using traditional silver halide printing and then gloss or matt laminated for protection.

Presentation boxes available at checkout.
