Aquaflame Restores It – Rapid Restoration. Trusted Results.

When disaster strikes, **Aquaflame Restores It** stands as Metro Atlanta's trusted name in **professional restoration and emergency cleanup services**. With decades of combined experience and a reputation built on precision, integrity, and reliability, we proudly serve **Decatur, Conyers, Lawrenceville, Sandy Springs**, and the greater **Metro Atlanta region**. Our mission is simple: to restore homes and businesses **better than before**—with unmatched speed, expertise, and care.

Comprehensive Restoration and Cleanup Solutions

At **Aquaflame Restores It**, we specialize in full-service restoration tailored to your emergency. Whether caused by water, fire, or mold, our IICRC-certified team responds quickly to **mitigate damage, protect your property, and restore peace of mind.**

Water Damage Restoration

Burst pipes, appliance leaks, or storm flooding can destroy flooring, drywall, and structure in minutes. Our **water damage restoration experts** arrive within hours to perform **emergency water extraction, structural drying, and moisture mapping.** Using advanced **FLIR thermal imaging** and **dehumidification systems**, we eliminate hidden moisture to prevent mold growth and secondary damage. Every job follows **insurance-compliant documentation**, ensuring your claim is processed smoothly and accurately.

Fire and Smoke Cleanup

When a fire disrupts your life, **Aquaflame Restores It** delivers fast and detailed fire recovery solutions. We remove soot, smoke residue, and

charred debris while restoring salvageable surfaces and belongings. Our process includes **odor neutralization, air purification, and full interior restoration**, helping you recover safely and swiftly. We understand how emotionally taxing fire loss can be—and we restore your space with compassion and care.

Mold Remediation

Unchecked moisture leads to mold, threatening both property and health. Our **mold remediation specialists** identify contamination at the source using air quality testing and infrared inspections. We safely remove and contain affected areas following **EPA and IICRC S520 standards**, restoring healthy indoor air. From small patches to large infestations, we ensure your property is free from microbial growth and fully restored.

Emergency Plumbing Services

Water emergencies often begin with a plumbing failure. Our team offers **emergency plumbing repair** to stop active leaks, replace damaged lines, and restore water flow—minimizing the extent of property loss. Available **24/7**, our certified

plumbers respond to crises including broken pipes, sump pump failures, and sewage backups.

Why Metro Atlanta Trusts Aquaflame Restores It

We don't just restore buildings—we restore **trust, comfort, and confidence**. Our brand is built on consistent excellence and community commitment.

IICRC-Certified Technicians

Every technician is certified by the **Institute of Inspection Cleaning and Restoration Certification (IICRC)**, ensuring the highest standards in safety, ethics, and restoration quality.

Insurance-Compliant Documentation

We streamline the claims process by working directly with insurance providers and using industry-standard software like **Xactimate** for transparent estimates and itemized reporting.

24/7 Emergency Response

Disasters don't wait—and neither do we. Our **24-hour emergency response team** is on standby to secure your property day or night. From Decatur to Sandy Springs, our **AQUAFLAME RESTORES IT** vans are ready to arrive within the hour when you need us most.

Transparent Communication

We believe in honesty from start to finish. Our team provides daily progress updates, moisture readings, and clear timelines so you always know exactly what's happening in your home or business.
