Feature

RF Cable Assemblies manufacturer antenna cable assembly factory

Custom RF Cable Assembly, OEM ODM antenna cable assembly according to your requirement.

Key **RF Cable Assembly** Specifications:

Cable types: RG-178, RG-316, mini 1.13

Connectors on the board: MMCX, MCX, MHF, U.FL and more

Connectors for antenna connection: SMA, SMB, TNC, BNC and soon

High efficiency, low loss

Operating temperature: -20 to 65 degrees Celsius

For telecom applications, antenna cable assembly

We could **custom RF cable assemblies & antenna cable assembly** for you:

Which are widely used in Computer, medical equipment, security equipment, security equipment, Notebooks,

HD camera, custom RF cable assembly, Smart Appliances, Digital Video Camera, Televisions, Smart Phones,

Medical Instrumentation, Aircraft Cockpit Instrumentation, Automotive, electronic, industrial, medical equipment.

DVD/Blu-ray players, Render massive 3D imaging, Slim LED backlight LCD panel, UAV wiring harness.

Wire or cable used: Micro coaxial cable, Fine Coaxial Cable, SGC cable, Teflon wire, Micro coax,

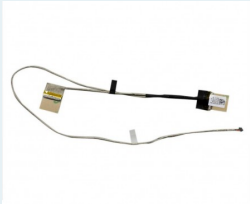

MCX cable, Shielding cable, electrical wire, flexible welding cable, hook up wire and power cables

Connector Brand: I-PEX, JAE, Hirose, KEL, ACES, JST, Molex, AMP, Tyco, 3M, As per your request

Pitch: 0.3, 0.4, 0.5, 0.6, 0.8, 1.0, 1.25, 1.5, 2.0, 2.5, 2.54, 3.0MM etc.
