Branding Identity

Sometimes all it can take is for your brand identity to be updated, we can provide full branding services which will last your business for many years, a good business should refresh their brand every five years.

Website Design

We use the latest CMS to ensure your website is fully controlled by yourself, our design team work with you to create a fully bespoke and beautiful website which works for you, and your business.

Website Report

One of our key services is to show you what we can improve on your website, this is a **free** service which gives you a detailed report showing you some areas which require attention and how we can create solutions for these to allow your business to expand further.

Search Engine Optimization

We understand that you want to show off your fantastic new website and for your company to appear at the top of google searches, we can help you achieve this result.

Social Media

Does your business need to increase in followers or likes? We love to help, social media is something we love to do - just take a look at our own social platforms!

Our studio was created to provide powerful, beautiful and user friendly digital solutions for your brand.

We don't work to strict guidelines, at bakedplan we are a creative design studio which allows us to work as a strong adaptable team to provide the best outcome for your website and brand. Our team provides all our projects with an honest, creative & diverse outcome.
