Location

Just 45 kilometers to the north west of Malé international airport. (longitude 73°E latitude 4.60°N). In the heart of the Indian ocean, on the end of Malé atoll, lies the island resort of Eriyadu.

With a land mass of just seven acres and only 0.7km by 0.5km in size it takes about eight minutes to walk around. Making it one of the coziest islands on which to stay.

Wine and dine

Our Executive Chef and his internationally trained team offers a collection of cuisine styles to choose from. All menus are lovingly created and influenced by the rich spices and colors found throughout Asia.

Diving

With 21 of the most extraordinary dive spots in the world, our PADI recognized dive center and private instructor will be delighted to teach you if you are a beginner or guide you if you are an experienced diver.

Choose from a dive on a sunken wreck, swimming with the amazing Manta rays or simply putting on a mask and snorkel to discover beautiful coral gardens where tiny fish play hide and seek.

Big game fishing

With some of the best areas for big game fishing in the waters surrounding the island you can often expect to catch, tag and release; grouper, wahoo, jack fish, barracuda and even the occasional huge sailfish.

Wellness centre

Our treatments use the many principles of holistic health maintenance, alongside herbal and beauty treatments to revive body and mind.

Celebrations

Eriyadu Maldives is the perfect venue for those special moments.

Whether its your honeymoon, anniversary or birthday there's no where better to be.
