

Mandatory Health & Social Care Training Courses

"This training meets legislative government procurement requirements in accordance with PSL, GPS/CCS, HTE and LPP frameworks to work safely, productively and efficiently."

Why do we need Mandatory Training?

Statutory and mandatory must be completed to meet national standards and legislative requirements and **NHS, CQC** and **UKCSTF compliant**. Mandatory training, induction and update training are a means of providing staff with the knowledge and skills to enable them to comply with key policies, thus ensuring improved safety levels and lowering risk.

Who should attend this training?

All health and social care workers should complete this training. This includes managers, senior support workers, care assistants, healthcare assistants and mental health workers.

CPD accredited online training courses

We offer **CPD accredited online training courses** for health and social care workers to complete in their own time anytime. All online courses are CQC and NHS compliant.

What type of training is available?

- Basic Life Support (With AED)
