

L4 Laser Therapy

VTCT Level 4 Certificate in Laser and Intense Pulsed Light (IPL) Treatments (QCF)

This short course is specifically designed for beauty therapists. This course will help beauticians further their career for specialising in reducing hair growth and photo rejuvenation of the skin.

How does the course work?

Learners must complete a minimum of 31 credits which will be through 4 mandatory units. Topics include:

- Client care & communication in beauty-related industries
- Laser & light treatments for hair removal
- Laser & light treatments for skin rejuvenation
- Management of health, safety and security in the salon

You will produce a portfolio of evidence, consisting of assignments, observations, discussions and witness statements

How is it delivered?

- Work-based assessment throughout the course.
- Tutorial support is available to you at all times.

How long will it take?

Depending on the ability of the individual, the NVQ will take between 3 to 6 months.

Entry Requirements

- Good literacy and numeracy skills.
- Lived in the UK for 3 years or more, or from an EU member country or a British Citizen.
