The finest solution in wardrobe management worldwide

Welcome to the world of Vault Couture,
where life is easy and wonderfully efficient. Inspired by a dynamic generation of individuals and driven by innovation, this is a new way of managing your wardrobe, because time is precious and there is never enough of it.

Imagine endless closet space, luggage-free travel, your garments edited and styled to make you look your best wherever, whenever. Imagine each of your precious pieces professionally photographed, visually catalogued, and securely stored in a climate-controlled museum-quality environment, always just a mouse click away.

Imagine your own virtual wardrobe, digitally accessible 24/7. Clean, organized, perfect. Your favorite looks, travel bags, and wish lists, all in one place, ready to be seamlessly delivered to you anywhere in the world with a butler-style service. Imagine...

We've worked hard so you don't have to.

Quite simply, our team of wardrobe experts can
SORT, STYLE, SEND, STORE, and even SELL items for you

ABOUT US

Vault Couture offers a complete wardrobe service that includes everything from organisation to secure clothing and accessories storage, professional repairs, alterations, and global delivery.

A client can access their wardrobe at any time through their VIRTUAL VAULT PLATFORM where they can view their entire collection of clothing and accessories. Here Vault Couture clients can work by themselves or with a stylist to create outfits, travel bags, and wish lists.

Quite simply our team of wardrobe experts can SORT, STYLE, SEND and STORE, and even SELL items.

SORT

At Vault Couture we will professionally photograph each piece from all angles recording every stitch. We will create your **VIRTUAL WARDROBE** with our state of the art software, providing you with seamless access from any location globally. The days of throwing things on a bed to see if they match are over. Review and arrange outfits with ease, selecting what to wear, store, have delivered, or sell. Use **WISH LIST** to upload images of that look you've admired, and then use your **VIRTUAL VAULT PLATFORM** to recreate that look yourself.

STORE

Extend the size of your personal wardrobe with secure out-of-home storage. Safely archive and store seasonal collections and expand your working wardrobe, while maintaining easy access to your garments. All items are bar-coded to be easily identified, carefully hung in a breathable garment bag and stored in a climate-controlled air-purified facility located in Central London. Our highly specialised tailors and seamstresses will restore and repair items that need extra care.

STYLE

Optimise your wardrobe and create your own complete looks through MY LOOKS function, or engage one of our revered stylists to give you a fresh perspective on your wardrobe, just press STYLE ME, we'll take care of the rest. Your VIRTUAL VAULT PLATFORM allows you access to your wardrobe and lets you keep track of outfits you have worn for trips and at events.

SEND

Always discreet and professional, Vault Couture will facilitate efficient delivery of items whenever you need them. Same day collection and delivery means that the item you request now will be with you in a moment's notice. Travel can become light and stress-free. Plan holidays and trips ahead with TRAVEL BAG function, and when you are ready to go, just press send. Removing responsibility of packing, Vault Couture will free up your precious time making each journey effortless.

SELL

Free up your very precious wardrobe space with VAULT BOUTIQUE. It will help you sell pre-loved pieces through our managed sales system. Now items from past collections can be seamlessly offered to other members a wider audience.
