Our crepes are thin pancakes with a lovely, melt-in-the-mouth texture. We have a wide selection of sweet crepes that are healthy, crispy and fluffy, flavoured with delightful fillings, toppings. For example, hint of vanilla, melted chocolate, caramelised apples, home-made orange marmalade.

You can definitely dig into a few warm crepes laced with honey, lemon sugar & butter to homemade salted caramel or chocolate sauce, banana, nuts, cream and unlimited possibilities!

Our pancake and crepe choices are house-made from fresh, local ingredients available as per your requirements (Vegetarian, Vegan and Gluten-free).

Our menu has great choices of sweet crepes with most popular filling options that suit everyone's taste. Also, we offer a gourmet topping to make your own luscious crêpes/pancakes.
