How does JointFuel 360 work?

Joints are the connections between our bones, and they provide support and help us move.

Damage to our joints can cause intense pain all over the body – your back, feet, ankles, hands and fingers, knees or hips.

The pain can range from very mild to so intense that it prevents you from exercising or even doing simple daily activities such as using stairs or holding a cup of coffee.

The [JointFuel 360](#) formula from Jupiter Laboratories works to address several joint issues from everyday pain to stiffness and inflammation.

The powerful combination of ingredients offers long-term relief for sufferers.

The power of natural ingredients

The all-natural ingredients found in JointFuel360 are clinically tested and scientifically proven to be highly effective in supporting joint function and overall joint health.

The main active ingredients in JointFuel 360 are black pepper extract, Boswellia serrata extract, hyaluronic acid, resveratrol and turmeric.

Resveratrol has long been used to provide joint pain relief, and [studies](#) prove the anti-inflammatory properties.

Boswellia serrata extract comes from the Boswellia tree found in India. In addition to having anti-inflammatory properties, it helps to protect against further cartilage loss.

What's more, many of the Joint Fuel 360 ingredients are especially effective working together to combat joint pain.

Black pepper extract is even more effective when taken in combination with Turmeric helping it to absorb into the body.

It's great to see a **safe and effective supplement** that uses ingredients with natural anti-oxidant and anti-inflammatory properties.

Frequently Asked Questions

Why should I take JointFuel 360?

JointFuel360 is formulated for both men and women who are looking for an effective supplement that works to decrease joint pain, improve mobility and improve overall joint health.

Is there a difference between JointFuel and JointFuel360?

No. Our product name just changed – **JointFuel360 is the same great formula** that delivers the same great results.

What is in Joint Fuel 360?

The active ingredients in Joint Fuel 360 are turmeric, Boswellia serrata extract, type II collagen, black pepper extract, and hyaluronic acid.

Our proprietary blend includes only natural ingredients that are scientifically proven to provide maximum joint support.

[**See complete nutritional information here!**](#)

Is it safe for vegetarians?

Our formula contains type II collagen sourced from animal protein. It is not suitable for vegetarians.

Is JointFuel360 gluten-free?

Yes. JointFuel360 contains no gluten.

Are there any drugs in JointFuel 360?

No. JointFuel360 is *completely drug-free*, and our formula does not include glucosamine or chondroitin. [Studies](#) show that glucosamine and chondroitin are not effective at reducing joint pain.

In addition, these ingredients may interact with other drugs.

How much and how often should I take Joint Fuel 360?

For best results, the recommended JointFuel 360 dosage is two (2) capsules a day. Take the capsules together on a full stomach with a glass of water.

How fast does Joint Fuel 360 work?

The natural ingredients in JointFuel 360 are chosen for their anti-inflammatory and antioxidant properties that get to the root of joint pain.

We recommend users **take JointFuel360 for 30-90 days consistently** and ensure a healthy diet and lifestyle for maximum results.

With regular use of the recommended dosage, some users have reported feeling positive effects after one week (7 days).

Does it help repair cartilage?

The main function of cartilage is to reduce friction in the joints. As cartilage is damaged or breaks down, it causes the joints to rub together causing pain.

One of the main substances that makes up cartilage is collagen. JointFuel360 contains type II collagen as well as other ingredients specifically chosen for their ability to improve overall joint health.

JointFuel360 works from within to **reduce inflammation which can lead to cartilage breakdown**.

Can I take JointFuel 360 with other medications and/or supplements?

JointFuel360 is made with all-natural ingredients. However, we always recommend consulting your doctor before adding any supplement to your health regimen.

This is especially important if you have any pre-existing medical conditions, are taking medications or are pregnant/considering getting pregnant.

[See our complete list of ingredients here!](#)

Can I exercise while taking this supplement?

Yes! While Joint Fuel 360 helps support and maintain healthy joints from within, the results are even more effective when combined with regular physical exercise.

Exercise strengthens the muscles that surround the joints, which helps protect the joints further, reduce pain and increase joint mobility.

Is this a subscription service?

No. Each order is a one-time purchase. There is no automatic subscription to cancel and no need to worry about recurring charges.

JointFuel 360 is available for purchase as a single bottle, 3 bottle or 5 bottle.

Do you offer a product guarantee?

All products from Jupiter Laboratories come with a 100% guarantee.

If, for any reason, you are not satisfied with JointFuel 360, contact us within 60 days from the order date to receive a full refund.
