

# BEST POSTGRADUATE TUTOR: JOE

**For over a decade**, The Profs have had the privilege of working with multi award-winning tutors like Joe. After graduating from LSE (1st Class BSc, awarded Leunig Prize for Economic History) and the University of Oxford (Distinction MSc), Joe began his career in investment banking in the U.S.

In the last 5 years alone, Joe has supported more than 320 students in

his specialist subjects: Economics, Finance, Business and Management. He has taught not only the children of three different presidents, but also high-profile politicians and members of royal families.

All of his clients have gone on to secure places at world-renowned universities, including Oxbridge and Yale.
