Heartfelt Appreciation

“

I was so pleasantly surprised to find that my father had been invited to stay in the care of Catherine House Care Home.

The care from the staff is wonderful and I know my dad feels happy where he is because of the staffs gentle care and plus he just loves the food - he also loves the garden at the end of the corridor, which has been well looked after. My dad feels safe and well attended to.

I have a great relationship with the staff every time I come to take my dad out in the chair for a walk alongside the Frome river. If ever I need help about anything related to my dad, the staff are always ready to assist. Sometimes there are many unsung angels out there and some of them are working in Catherine House - thank you.

Welcome

Catherine House Care Home is a Somerset care and nursing home situated in the centre of the historic market town of Frome.

Stepping into a new phase of life by moving in to a care home can be both a profound and daunting transition. We understand that this step marks a significant life change which is where our commitment lies in crafting an environment that resonates with a warm, welcoming, safe and nurturing community that residents, who we affectionately refer to as family members, can call home.

Our team are dedicated to fostering a family-like atmosphere and never leaving anyone feeling like strangers in a strange land.

Our Values

Integrity

"To do the right thing, even when no one is looking."

People Driven

"The experience people have when they engage with our community."

Compassion

"To act with empathy and understanding."

Excellence

"Consistently strive to achieve the highest possible objective standard."

Our Community

Relationships made in the community gives us a sense of purpose and a sense of belonging. It is our connections and meaningful relationships with other people where we draw our strength.

Being part of a community can lift us when we are down and empower us to face what challenges come our way.

We enable and encourage family members to continue to participate in the parts of the community that are important to them, both inside and outside the home.
