

Studio - Maternity & Maternity Boudoir

Daddy to be and other family members are most welcome to join Mommy to be for the photo session if she so wishes.

Assistance with various professional poses will be on hand – no need to be nervous – Just relax and let us do the hard work!!

You can now also choose between a male or female photographer if this makes you feel more comfortable.

The shoot will first be discussed with you in the studio. Your input is very important to us. We then take between 30 and 40 photographs in 90 minutes so you can choose the 30 best ones to be edited.

You are also welcome to have ALL the photos edited that we took during the shoot at an extra editing cost of R20.00 per photo.

Coffee, tea or something cold are always available. Our private change room are available for garment changes and touch ups during the shoot.

Package Includes:

- 1.5 Hour studio session
- 30 to 40 + Photos taken in studio with professional lighting on different backdrops with props & poses.
- 30 x Photo edits of your choice, full extensive editing done to your photo choices.
