

MACFAB LH300

LH300

LOW HEIGHT BALER

THIS VERTICAL **BALER** IS THE PERFECT WAY TO COMPACT YOUR RECYCLABLE WASTE.

The MACFAB LH300 is a baler that is perfect solution for many businesses who need to reduce their plastic film, paper and cardboard box waste disposal costs.

This Baler is easy to Install and fit into a storeroom due to its low operation height. 20 Ton compaction force means the baler can make a 300 kg cardboard bale.
