School Minibuses

Warnerbus specialises in the bespoke conversion of school minibuses. Due to our outstanding relationship with leading manufacturers, we can help you to tailor your vehicle to your precise requirements and offer substantial savings on your base vehicle.

Entry is through a full height side door which gives easy passenger access. A variety of tail-lifts is available for wheelchair and disabled access at the rear of the vehicle.

Our standard specification includes fully bonded glazing to manufacturer's specification, luxurious, but hardwearing trim, M1 and M2 tested passenger seats (all fitted with integral lap and diagonal belts) which conform to the latest EEC Directives. An extensive list of options is available to enable the discerning customer to bespoke their minibus to meet their specific requirements.
