ARE YOU STRUGGLING TO HEAR AT WORK?

Do you dread big meetings, presentations or conference calls, knowing you'll miss what's said and struggle to take part?

You don't need to.

With remote, live captioning from 121 Captions you'll not only be able to hear what's going on, but participate fully as well.

HOW DOES IT WORK?

With just 3 easy steps you can read verbatim captions of your meeting or event:

1. Our remote captioner dials in to your meeting or presentation.
2. They listen in and type whatever is said at up to 300 words per minute.
3. You receive those captions, word by word, on your laptop, tablet or smartphone within 1 second of them being spoken.

It's that simple. Plus, as soon as captioning has finished we email you a free, real-time transcript which serves as a useful contemporaneous meeting note.

Want to see what it looks like? Contact us on bookings@121captions.com or 020 8012 8170 for a free live captioning demo.

I use 121 Captions' speech to text captioning service and it has been invaluable in helping me with conference calls. It complements and confirms what I'm hearing so that I get the full picture.
