ABOUT DAYLIGHT GLAZING

Daylight Glazing specializes in design, manufacture, installation and service of precision engineered 100% customized Aluminium windows and doors. With our diverse capabilities, deep knowledge of the Aluminium market and global technologies we have produced and installed over 1 million units across UK. We support a lot of Market leaders such as Shuucco & Kawneer, allowing us to take on any project no matter how big or small.

ALUMINIUM & UPVC

All in one place

DOORS

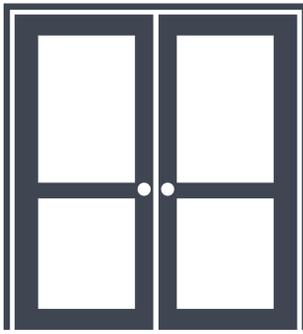

We provide End-to-End Solutions for doors. These doors are embellished with The finest hardware, airtight sealing and glass options. The doors insulate your home from noise, Rain, Wind, Dust, Pollution and Termites.

WINDOWS

Our windows systems are to the latest standards of the FCC and fensa and we thrive to deliver the best systems most up to date and versatile in today's market. Give us a call and gain a free over the phone quote today.

CONSERVATORIES

We'll provide you a perfect conservatory in our durable, low-maintenance Aluminium sections. You can choose your favourite design, add a glass solid roof & we can build it to your precise requirements or if you simply want to upgrade your existing conservatory, we can do that too.

HINGED PATIO DOORS

Hinged Patio Door mostly referred to as swinging patio door, a hinged patio door or a garden door-brings ample appeal for your space. Swinging patio doors are to be had two styles: the French hinged door and the centered patio door.

- Provide easy access
- Excellent protection
- Energy Efficient
- Provide improved lighting

COMMERCIAL ENTRY DOORS

Commercial Entry Door provides a real contact of elegance to any workplace, meeting room, consumer lobby, or different business environments. The beauty of real aluminium, gives your entryway professional look customers will admire.

- High Energy Efficiency
- High Fire Ratings
- Strength and Durability
- Variety and Versatility

DOOR VARIATIONS

Aluminium & UPVC

“*Regardless of how big your dreams or how small your budget, we have the proper windows and doorways for your home.*”

RESIDENTIAL ENTRY DOORS

Residential Entry Doors are crafted from finest aluminium and available in a variety of color options, our residential entry doors can introduce your home to a new level design. They showcase artistry, intricacy and top notch beauty of the house.

- Increased ventilation
- Extra Safety
- Energy Efficiency
- Protection against rodents

SLIDING PATIO DOORS

Sliding Patio Doors are designed to flow horizontally with one working gliding panel and one fixed panel. They get into tighter spaces than our hinged doorways because their panels do not intrude with your room or patio.

- Space saving
- Easy access
- Safety
- Energy efficiency

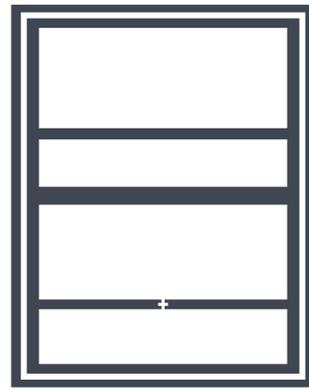

BI-FOLD DOORS

Bi-Fold Doors have become an more and more famous alternative to conventional French doorways or sliding doors because they allow the complete expanse of window to be spread out, with out taking over lots of area.

- Easy open and close
- Not required much space
- Open plan living
- Flexibility

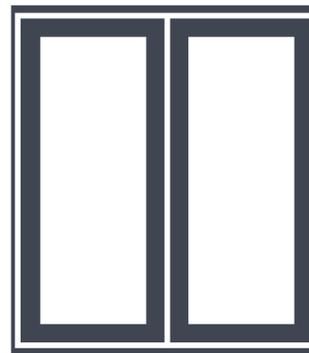

HUNG WINDOWS

Double Hung Windows have two working sash that circulate up and down allowing for ventilation on the top, bottom or each. Single-hung home windows have only a decrease running sash for air flow.

- Superior Ventilation
- Easy to Maintain
- Addition-Friendly
- Energy-Efficient

CASEMENT WINDOWS

Casement Windows offer full end to end ventilation, establishing outward to the left or right to allow air inside. Since they open without problems, casement home windows are a fantastic choice in kitchens.

- Allows Maximum Light
- Easy Openings
- Effective Noise Reduction
- Opening Outwards

WINDOW VARIATIONS

Aluminium & UPVC

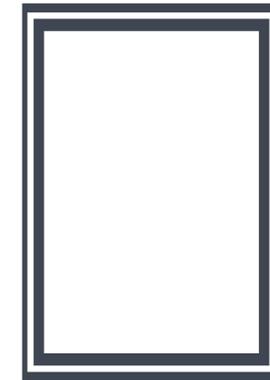

“*Regardless of how big your dreams or how small your budget, we have the proper windows and doorways for your home.*”

SLIDING WINDOWS

Gliding Windows open on smooth, clean-to-keep tracks, and lift out for easy cleaning of the outside glass from the interior of your own home. You can pick out to have each sashes slide, or simplest one.

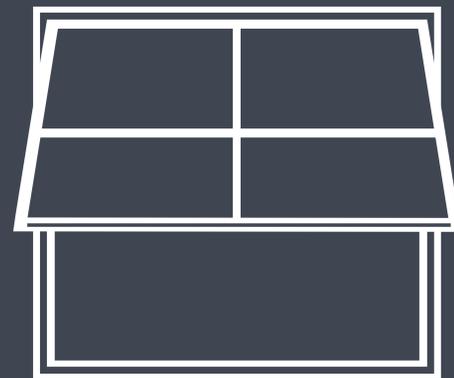

- Effortless Operation
- Enjoy Maximum Air Flow
- Easy Openings
- Allows Maximum Light

PICTURE WINDOWS

Picture Windows are desk bound and do not open. This makes them extra electricity green and permits for larger sizes than a window that vents. Frequently utilized in combos to maximize the view.

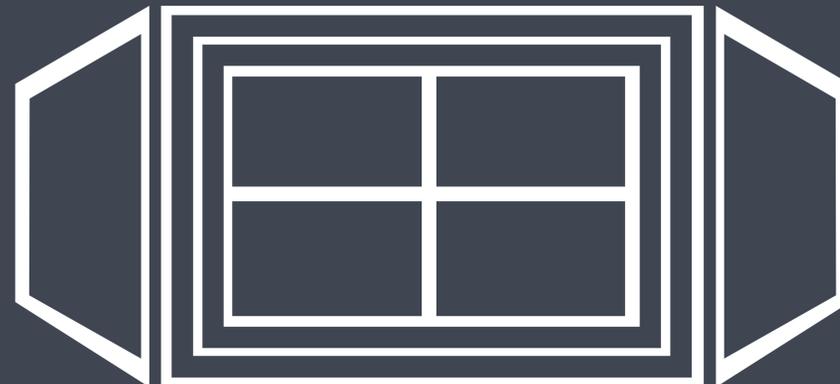

- Low Cost
- More Natural Light
- Effective Noise Reduction
- Energy Efficient

AWNING WINDOWS

Awning Windows are hinged at the top and open outward, allowing for air flow even throughout a light rain used in combination with different window styles or positioned higher on walls for easy to open.

- Good Ventilation
- Weather-Tight Construction
- Offer Superior Privacy
- Attractive & Contemporary Look

BAY AND BOW WINDOWS

Bay and Bow Windows not only transform the look of your house but also add an extra space & depth to our walls which makes your property look spacious and allow more light into our rooms.

- Luxury & Space
- Availability in Aluminium
- Traditional look
- Highly Energy Efficient Windows

SHAPED WINDOWS

Shaped Windows are combination of different shaped windows. If you want to provide your private home the wow aspect, don't forget to integrate our custom-made specialty windows.

- Unique Design
- Energy Efficient
- More Natural Light
- Noise Reduction

LARGE VARIETIES OF PATTERN GLASSES

Our decorative glass is very versatile; it allows total freedom of design and can be customised to fulfill any requirements. Various technologies can be used to create the finished products. We can also influence the transparency of the glass surface, as well as its light transmittance.

Transparent or translucent, for decoration but also privacy

OUR HASSLE-FREE PROCESS

4 EASY STEPS !!

STEP 1

IN HOME CONSULTATION

Our designers will listen to your requirements and they will create a plan to improve the efficiency and enhance your house's beauty within your budget.

STEP 2

SITE SURVEY & MANUFACTURE

We will once again visit you and will get the measurements of the windows and doors to ensure the accuracy before manufacturing.

STEP 3

INSTALLATION

We will start installing your windows and doors once the order is delivered from the factory. We will clear the wastes after installation.

STEP 4

OUR GAURANTEE

We will continue to support you for limited time to make sure that windows function as expected.
