

About Us

Gentleman Jim's mobile bar offers a huge selection of drinks for all occasions regardless of location. Be it in a barn, field, marquee, woods, on a private beach, or at a country house.

Bookings & Venue

Gentleman Jim's can cater for both outdoor and indoor events. The horsebox is mobile and can go into any large enough indoor space with access. We do not want to disappoint so please book as far in advance as you can. All events have a booking fee.

Drinks

We have 12 serving taps for draft ales, lagers and ciders. We have a full list of spirits, champagne, prosecco, wine, cocktails and soft drinks. Drinks are served cold, and are fully refrigerated, with the exception of our mulled wines and ciders.

Licences & Legal Stuff

Gentleman Jim's holds Public Liability Insurance and we will organise the event licence for your occasion.

How it Works?

We offer a variety of packages; a guest paying bar, a pre-paid bar for your guests (a combination of pre-paid and guest paying) and a drinks voucher service. We offer a card service, so cash is not necessary.
