

## Miscellaneous car driving test information

### Year 2013/14

Pass rate – 47.1%

Tests passed with 0 faults – 11,984

#### Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Control (steering)**
- **Junctions (turning right)**
- **Response to signals (traffic lights)**
- **Move off (safety)**
- **Move off (control)**
- **Positioning (normal driving)**
- **Reverse park (control)**
- **Response to signals (road markings)**

### Year 2011/12

Pass rate – 46.9%

Tests passed with 0 faults – 10,328

#### Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Junctions (turning right)**
- **Control (steering)**
- **Move off (safety)**
- **Response to signals (traffic lights)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Reverse park (control)**
- **Response to signals (road markings)**

### Year 2012/13

Pass rate – 47.1%

Tests passed with 0 faults – 10,380

#### Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Junctions (turning right)**
- **Control (steering)**
- **Response to signals (traffic lights)**
- **Move off (safety)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Reverse park (control)**
- **Response to signals (road markings)**

### Year 2010/11

Pass rate – 46.3%

Tests passed with 0 faults – 8,189

#### Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Junctions (turning right)**
- **Move off (safety)**
- **Control (steering)**
- **Reverse park (control)**
- **Reverse /left reverse (control)**
- **Positioning (normal driving)**
- **Response to signals (traffic lights)**
- **Move off (control)**

### Year 2009/10

Pass rate – 45.9%

Tests passed with 0 faults – 6,032

#### Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Reverse /left reverse (control)**
- **Reverse park (control)**
- **Move off (safety)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Response to signals (traffic lights)**

### Year 2007/08

Pass rate – 44.2%

Tests passed with 0 faults – 4,107

#### Top ten reasons for failing

- **Junctions (observation)**
- **Reverse /left reverse (control)**
- **Use of mirrors – (change direction)**
- **Reverse park (control)**
- **Control (steering)**
- **Move off (safety)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Progress (appropriate speed)**

### Year 2008/09

Pass rate – 45.3%

Tests passed with 0 faults – 5,294

#### Top ten reasons for failing

- **Junctions (observation)**
- **Use of mirrors – (change direction)**
- **Reverse /left reverse (control)**
- **Reverse park (control)**
- **Move off (safety)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Response to signals (Traffic lights)**

### Year 2006/07

Pass rate – 43.3%

Tests passed with 0 faults – 3,329

#### Top ten reasons for failing

- **Junctions (observation)**
- **Reverse /left reverse (control)**
- **Reverse park (control)**
- **Use of mirrors – (change direction)**
- **Move off (safety)**
- **Control (steering)**
- **Junctions (turning right)**
- **Positioning (normal driving)**
- **Move off (control)**
- **Progress (appropriate speed)**
