» INTRODUCTION

QuranHost is the pioneer and leading Online Islamic Institute founded by a team of Islamic scholars in 2010. With a team of dedicated native Arab and non Arab Quran teachers, we are committed to set standards in Online Teaching most simply and successfully.

QuranHost provides your kids with a great opportunity to learn Online Quran Reading, Tajweed, Quran Memorization and Arabic Language at your place with your busy life schedule. Our Online Courses are designed especially for kids to improve their recitation and memorization.

Our Online Quran Classes are preferred by a large number of Muslim parents especially those living in the UK, USA, Canada, and Australia because we have highly qualified Quran teachers from Egypt, Jordan, and Saudi Arabia. As well as, we have Online

Quran teachers from Pakistan who can teach Quran to the kids in English and Urdu. All teachers at the Institute are fluent speakers of English and Arabic. We have also very qualified and expert female Quran teachers for kids and adults.

We also help new convert Muslims with FREE online classes to help them in learning about Islam, Quran reading and daily practices of worships in Islam.
