complimentary pre-wedding portrait

All wedding clients are invited to our studio for a pre wedding photograph. This is a great way to mark the occasion of your engagement and helps you get to know your photographers and prepare you for your wedding day photographs.

just shoot me!

For high quality wedding coverage at a premium price we offer a DVD disc package. Prices start at €750 for a disc of 100 high resolution images of your choice. This package can be upgraded to 200 images (€950) or 300 images (€1,150). We provide you with a skilled professional photographer to cover everything from your preparations on the morning of the wedding till you sit down to dinner. The disc will play as a slideshow with soundtrack as well as providing all of your print ready files. All of the images are all fully processed to our exacting standards and ready to print. Purchasing this packages allows you unrestricted rights to reproduce the images as many times as you like for your own personal use.

traditional

This package provides you with a 30 page 13" square leather album including all the usual 'must have' shots (the brides arrival, exchange of rings signing of the register etc.). Coverage begins at the wedding location and ends at the start of the drinks reception. The photographs are all shot in a formal but relaxed style. We put together your album based on a range of shots agreed with you prior to the wedding.
