My Special Event® – Pixels Parties

Fancy holding your own Pixels.

Pixels Parties – What are they?

Are you an avid gamer, do you like to play retro video games and fancied your very own event? Retro Video Gaming is coming back in fashion and could be the thing which sets your event apart from the rest.

If you have a stag party to plan and fancy something different, a birthday party or just fancy a get together with some mates then we could provide the entertainment for you.

Pixels Retro Video Gaming is so old fashioned!

Pixels retro video gaming is coming back into fashion. My Special Event has held many successful retro video gaming events in West Sussex. Re-living the 80's and 90's is a fun way to show your kids how you used to entertain yourself and your friends.

Pixels Retro Video Gaming – Read all about our success.

In 2018 & 2019, My Special Event held a few Retro video gaming events in Bognor Regis at The Waverley Pub & Restaurant.

Read all about the events in their blogs and if you fancy having your own charity fundraiser based on a retro theme then look at My Special Event's Charity Fundraisers Package Page. www.myspecialevent.co.uk

If you would like to see photos of our Charity Fundraiser Pixels Against Cancer or our monthly Retro Video Gaming Events Pixels at The Waverley. Please visit the gallery page on www.myspecialevent.co.uk/gallery

My Special Event is involved in future events bringing back even more retro fun with local charity Bognorphenia.

I would like to have My Special Event help me organise a Pixels Party where do I begin?

At the beginning we would need to arrange an initial consultation with you to discuss your ideas.

You will receive a **FREE** 1 Hour Initial Consultation (Worth £25/hr). This is a meeting with the client to discuss their ideas and what they would like from the Pixels Event, whether it is a paid-for or Free event. The consultation can take place at the offices of My Special Event or at a location suitable for both the client and My Special Event.

My Special Event would need a few details to give you a quotation...

- The venue where the Event is to be held including location
- Date and Times of the Event
- Number of People for the Event
- Type of Event i.e. Birthday Party/ Wedding/ Team Building Day
- Type of games/ Systems interested in* * 1970s to 2000s*

When all the plans and discussions have taken place, My Special Event can then give the client an idea of the costs involved and before any work begins a deposit would need to be paid and a contract signed between the client and My Special Event.

What sort of costs would be involved?

Each package will be individual to the client and their requirements, but the general fees involved will be along the lines of what is outlined below:

- **ONE FREE** 1 Hour Consultation per client (as outlined above)
- Any further consultations are charged at £25/hr – Pre-Contract
- Mileage will be charged at 0.30p per mile within the West Sussex area or 0.50p per mile for outside the West Sussex area.
- Each package will be based on the hourly rate of £30/hr and My Special Event will take into consideration the amount of set-up & clearing away time for each event. The amount of equipment involved will be incorporated in the final figure and the amount of work to be done (if any before the event) this will include paperwork/admin and game & Gamestation preparation if there are any specific requests from the clients.
- If there are any other requests i.e. food and drinks packages with the venue, then this may be incorporated in the package or could be separate with the venue.
- All costs are discussed at the initial consultation with the client and a deposit will be paid and a contract signed by both the client and My Special Event before any planning is carried out for this event.

- Any extra costs incurred for breakages of equipment will be outlined in the contract for the client before the event.

Unfortunately, because of the type of equipment used, we cannot leave it at the event unattended so a minimum of 2 members of staff would need to be present at the event. All these points will be discussed at the initial consultation between the client and My Special Event.

ALL equipment will be PAT Tested before and after any event to make sure that it complies with electrical regulations and any venue used for this event must have the appropriate licences for electrical goods to be brought on-site.

How to I contact My Special Event to discuss my Pixels Party?

If you fancy the idea of having a Pixels Retro Video Gaming Event for your special event. Contact Zoe Pniewski of My Special Event for further details.

Telephone: 01243 829592 / 07587158999
