Our Customer Feedbacks

I booked this for a Bhs leaving party. It made the party having this booth. The premium package was great value and worth paying for a few extra key rings so everyone there could leave with one. Sudhakar was great- very prompt responses to any queries and very efficient on the night. The machine is much more high tec than others I have seen and with great service I would definitely recommend this company .

Amazing photo booth! I booked for my 21st birthday well in advance but Prop and pose kept in touch with me throughout the time up to my party which was very reassuring! They turned up on time and the quality of service was excellent! My friends and family loved the booth so much that we even asked if they could stay later and they were more than willing to stay with a small additional cost! Well worth the money!!

I booked the photo booth for my daughter's 21st Birthday, we were a little worried at first having paid in full prior to arrival of the booth. We couldn't have been more wrong. Everything ran smoothly from our point of view, Sudhakar was an absolute gentleman and a pleasure to work with, very professional and helpful, (even at 1.30am after a long night)The quality of the photo's was excellent and everyone seemed to be impressed with the booth and props . I recommend prop and pose and hope they continue to grow and continue to provide an excellent service. Again thank you for a professional and fun time, hope to use you again.

Hi Prop and Pose you did a great job for our daughter Anjini's 13th birthday party. Even though we booked for three hours you stayed longer which we appreciated. You were very professional. It was a big hit with all our guests 😊😊. The guest book with photos is a good idea. We will always have those memories. Thanks and all the best for the future.
