SUPPORT AND TRAINING

We are with you all the way!

From initial setup to ongoing training and support we are here to help.

STAFF

Allowing your staff to download the app to their phones can give them an idea about what the day / week / month has in store for them from their own phones, through one constant live feed.

You decide how much of the information you share with your staff members using the admin section of My Pet Walker.

FINANCE AND REPORTING

You need to know the key financials for your business, My Pet Walker provides you with a financial suite where you can track your income, clients, payments and generate reports.
