Packing is a Flash Local forte, boasting meticulous and distinctive techniques that we have developed over the years. We offer different packages to suit your requirements in any situation.

Domestic Packing Services

Packing can be tough, especially when there's just too much stuff to pack when you are moving away. Fortunately, Flash Local exists to take that huge (and heavy) burden off your shoulders. Our team is expertly trained and insured to handle the job with flying colors. If you are moving to a new home, our domestic packaging service is the right fit for you. We can provide a free estimate via a site visit so that you only pay for the services you require. We will then do all the packing and provide the materials like boxes, wrappers, containers, and more to protect each item throughout the process of moving houses.

Upon request, we can also unpack your belongings as it arrives on the destination. We will handle the aftercare of the packing materials and place items based on your preference. Rest assured that we are uber careful with how we perform our packaging service for domestic clients.

Commercial Packing Services

If your company is transferring to a new office or going overseas, you will need experts to do a quick and efficient packing of your documents, archive, stocks, or equipment. We pack your office items according to your specifications and provide special materials for legacy pieces that need extra care. Our commercial packing services include specialised packaging for your products. We can help you present your stocks in the best way to up your marketing campaign efforts. Additionally, we offer quality checking because we know how crucial it is to provide pristine packages for your business. Whatever commercial packaging you need, Flash Local is ready to provide the right service for you. We will make sure that your investment in packaging services is maximised, delivering the solutions you expect and more.
