TOPIA GROUP AFRICA

A Vision unparalleled, A mission unthinkable. A drive unstoppable

Making a Difference in Africa

Topia Group Africa is an enterprise comprising independent operating subsidiaries.

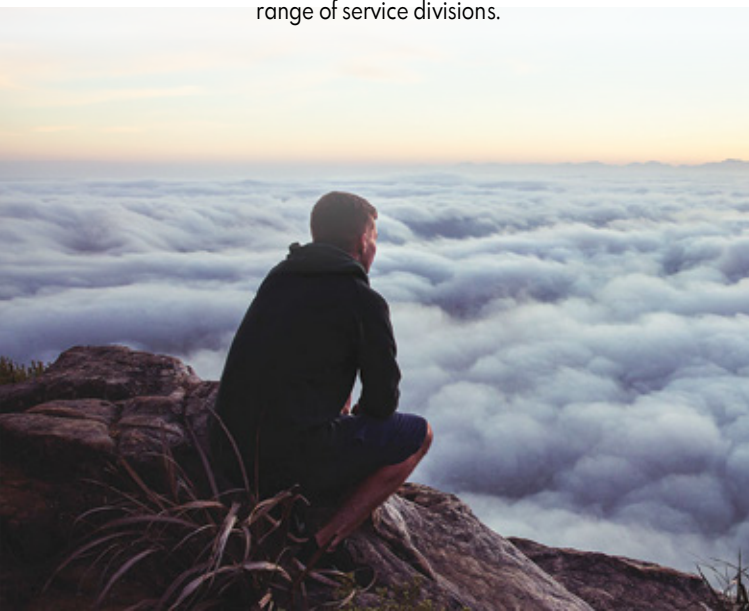

The group operates with a mission :

“To improve the quality of life of the communities we serve, through long-term stakeholder value creation based on Leadership with Trust”.

Across everything that we do, across all the subsidiaries in our portfolio, we continually strive for excellence. We have a strong need and goal to grow our brands and all of our subsidiaries to become industry leaders in all the fields that we operate in.

We have diversified businesses that exploit synergies amongst its divisions, capabilities, and its management systems to maximize the value creation of all our business units.

Through one initial point of contact you gain access to an extensive range of service divisions.
