

Payter

Donating Has Never Been Easier With Our Most Popular Contactless Device

PayaCharity
Lakeside House, The Lakes,
Bedford Road,
Northampton,
NN4 7HD

The PayaCharity Payter is an exciting contactless donation solution for all types of charity across the UK.

No Risk Of Theft

No cash means the Payter can be placed in public areas without the risk of theft.

Online & Offline Use

The Payter can still be used offline without a phone signal. It will also store transactions if the mobile signal is weak.

Versatile Fundraising

The Payter can be used as a portable device or left unattended for in-store donations, creating a dedicated spot for 24/7 donations.

A Standalone Device

The Payter doesn't need pairing with other devices to work, no logins required, just power on and go.

Easy To Use

Lightweight and easy to manage for your Volunteers and Donors. No pin required, just tap and go for a fast and safe donation.

Can Last All Day

The Payter has up to 8 hours of battery life and can be used all day. You can also charge the device overnight and connect to a power bank.

Configurable Donation Amounts

The Payter can be configured to accept recurring donation requests of whatever amounts you choose, giving you more control over your donations.

GPRS Connection

The Payter has both LAN and SIM connection to ensure quick processing of transactions no matter where you are.

Increase the visibility of your charity and services by using custom branding plates. You can purchase a branding plate which is fully adjusted for your campaign. Branding plates are designed to be easily fixed and removed from the Payter.

PayaCharity Services

- We manage the application for your merchant account.
- We set-up your Charity Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.

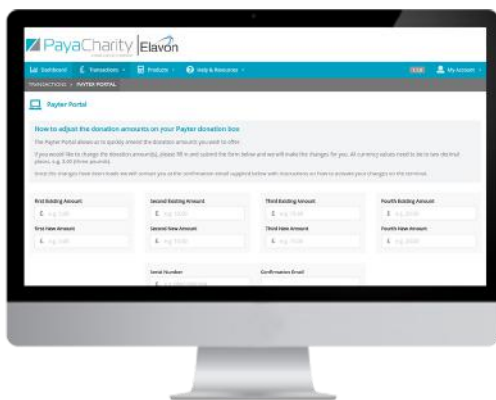

BENEFIT FROM HIGHER VOLUME, HIGHER VALUE DONATIONS TODAY!

Single Provider. Free Merchant Account. Online Portal. UK Support.

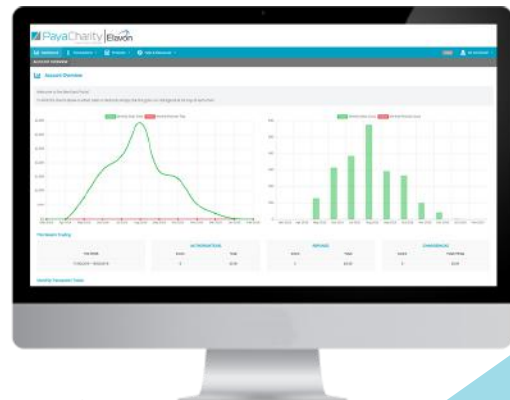

PayaCharity provides everything you need in one place, making it easier to set-up and manage your services and avoiding the complexity of multiple suppliers. In addition to the latest technology, we offer a choice of device types, free set-up and an online portal to manage your services, transactions, box settings and campaigns in real-time.

Charity Portal Features & Benefits

Once you have set up a PayaCharity account, you will be given access to the Charity Portal. The Charity Portal allows you to monitor the progress of your contactless devices and the donations you receive. Your donations are also viewable in graph and table form, giving you a quick visual summary of your transaction worth each month. Transaction statements can also be downloaded for use in reports and PR.

Manage contactless box settings online. View transactions, order products, reconcile statements and more.

Track the performance of your donation boxes in real-time, adapting your campaign strategy to achieve optimal results.

100% Online Application

To get set started with Contactless Donations, visit our website and apply for a Merchant Account. The application is 100% online and there are no set up fees to pay. Once we've approved your application, we'll contact you to arrange the delivery of your contactless donation boxes.
