

# Wildlife & Eco Gardens

## Bringing nature to life

At Wildlife & Eco Gardens we pride ourselves on our ability to use sound horticultural knowledge when providing our various services. We are qualified gardeners so you can rest assured that your plants will be safe under our care. Whether it be specialised pruning, tree planting, or just tidying up a hedge, you can count on us.

Whatever the season you can count on us to provide your gardening needs.

- Hedge planting, laying & care
- Tree planting & care
- Pruning & specialist maintenance
- Border design & maintenance
- Wildlife gardening
- Allotment care
- Advice & support
