Assignment Submission Guidelines

Below are some important Assignment related information that you should always keep in mind:

1. **Assignment Submission Dates:** Assignments should be ideally submitted on or Before 25th of every month
2. **Assignments should be emailed to us at admin@lsbr.uk along with the Plagiarism report.**
3. **Plagiarism levels should be below 14%**
4. **Assignment word count - maximum 2500 words & minimum 2400 words if not specified in the assignment brief.**
5. Submitting the assignment as per sequence given in the Learning Management System (LMS) is not mandatory. You may sequence it the way you like (You may submit the easier assignments first and difficult ones later).
6. Failure to meet the deadlines does not results in any penalty. However, late submission may lead to increase in the duration of the programme.
